

First founded in a neighbourhood coffeeshop amidst the friendly Ang Mo Kio estate, the ever-popular Uncle Leong Seafood has now heightened into a family restaurant.

Uncle Leong Seafood is THE place to go for crabs. Its signature “Shimmering Sand Crab delight” has drawn a keen following since first introduced in 2002. The light cream sauce was lightly flavored with hints of curry leaves, white pepper, butter and cream. It is like a perfect combination with the crab.
